

<Notice for W12 submission for KIX>

1. Runway:

No major congestion is observed on any day.

2. Parking stands:

No major congestion is observed on any hours on any day.

We will accommodate alternative timings in case of overflow of capacities.

3. SMA message

May 10 (May 11 08:59 Japan Local Time) is the deadline for W12 submission.

SMA can be sent via e-mail to scr@schedule-coordination.jp.

FYI: No SITA service is available.

Any inquiries and questions in a free text format can be sent via e-mail to jsc@schedule-coordination.jp.

4. SAL

We will send you W12 status in SAL message format on May 31 for confirmation of your requests.

This is for your convenience and to make conference more efficient based on revised WSG.

5. SHL

SHL is not distributed because there is no historic data in KIX due to Level 2 airport.

However "Slots Usage Result" is advised to those operators whose timings usage did not achieve 80%.
